I have read and understand the changes in the Religious Education Sessions. I also understand that if I choose the summer or home school options my family is required to participate in additional sessions throughout the school year. If my family does not participate we will not be eligible for summer sessions or the home school option in 2011. I also understand that if my child is in a summer or home school session and will be preparing for 1st Reconciliation and Eucharist they are required to attend Sacramental preparation sessions either on Sunday or on a weekday if available.
